

## Gateways band prepare for the Cabaret evening

One of our newest ensembles (Gateways band) have been rehearsing regularly on Tuesdays under the expert guidance of Mr Champken. The band is really starting to gel together to create a balanced tight sound and each week I find myself desperate to join in!

They will be accompanying the choirs and presenting a couple of songs of their own at the Cabaret evening later in the term (24<sup>th</sup> March).

Mr Ian Lenihan
