## **Prep School**

## Pop Art in Lower 3

Lower 3 children have been working very hard on their Pop Art project over the past few weeks. They have learnt about this famous art movement and some of the artists. They completed an imitation painting of 'Soup Cans' in the style of Andy Warhol. The children showed their imagination with their own soup flavours! Inspired by the work of Lichtenstein, the children used coloured paper to make onomatopoeia art and have begun their portraits using benday dots. They have all worked extremely hard and should be proud of their amazing artwork - well done Lower 3!
