Pre-Reception have a visit from the police!

Pre-Reception have had a busy and exciting week celebrating love. The children have been talking about who they love and making beautiful Valentine's cards for their family and friends. It was a wonderful week full of warmth and kindness.

To end the week, we had a special visit from our Police Community Support Officers to finish our topic of 'people who help us'. The children had a fantastic time trying on police uniforms and exploring the police car. They even got to sit inside the car and listen to the siren and see the flashing lights. It was an amazing experience, and the children had so much fun learning about the important work the police do in our community.

Have a lovely half term!
