

Sports Report w/c 24th February 2025

Tuesday 25th February 2025 Under 9 Netball at Bronte House Festival

One year 3 and one year 4 team had a fantastic afternoon at the netball festival. The girls really thrive when playing matches for short periods of time against different teams as this allows the girls to adjust to what each team is doing.

The year 4 team worked hard for all 4 of their matches, winning 3 of them and just losing out by 1 goal in the other. Stella, Meredith and Kimran worked well in attack with a focus of driving onto the ball in the circle and doing more shooter to shooter passes. We managed to score 15 goals across all the games which is amazing! Through the midcourt, T'shai and Piaget constantly did short and sharp movements to get the ball moving and were always tipping and intercepting the ball. In defence, Winter and Vesper were unstoppable and only let in 3 goals throughout the afternoon. They worked really well together and picked up loose passes and chased after dropped balls.

The year 3 girls really built into the festival. They played with tenacity and determination in defence to try and disrupt passages of play from the opposition and keep scores low. Elizabeth made some excellent interceptions and was speedy in her turnover ball. The girls' play through court improved throughout the festival, making fast decisions and accurate passes to

Prep School

gain advantage over the opposition's defence. Poppy took every opportunity to gather loose ball and made good decisions with her passing. Florence and Leah responded positively to feedback and their awareness of each other allowed for good feeds into the shooting circle and attempts at goal.
