

Ski trip 2025

This half term, 69 pupils and 8 staff members travelled to Folgarida, Italy for the annual school ski trip. After a long journey, pupils were up early the next day and raring to get onto the slopes. With beautiful sunshine and ski conditions, everyone was able to progress through their ski lessons across the week; some even travelled off-piste and took on jumps and tricks in the snow park!

The fun didn't stop on the slopes though, each night there were activities including swimming, karaoke, craft challenges, quizzes and a highly anticipated pizza night to finish the trip.

Mrs Holmes and all staff on the ski trip were extremely proud of the pupils' enthusiasm, perseverance and positive attitudes during this visit and hope that we have as popular a trip again next year!

You can find more photos from the trip on our school [Facebook page](#).
