Happy Valentine's day

The children have worked together beautifully this week. We have chatted about friendship, being kind, and showing love – these discussions have certainly been absorbed by our little ones.

We have decorated biscuits to take home and share with our family members. The children have been creating a Valentine's day card for their special people and have been singing a lovely "I love you" song for everyone.

We hope you all have a wonderful half term.

Mrs Santosh Roth
