

## Upper 2 – 30 good deeds

This Ramadan, Upper 2 have embarked on a heartfelt initiative: completing 30 good deeds throughout the holy month. We kicked off this special journey at the start of the week by writing thank you notes to someone who has made a difference in our lives. The pupils' messages were incredibly moving, showcasing their gratitude and thoughtfulness in such a genuine way.

Alongside traditional acts of kindness, we've also created five of our own good deeds to achieve as a class, adding a personal touch to this meaningful challenge. It's been a wonderful start, and we're excited to continue spreading kindness and positivity. Wish us luck as we work towards our goal!

Mr Mike Arnold and Mr Matt Chandler
