

## Sports Report 31/03/2025

**Thursday 27<sup>th</sup> March**  
**House Football Years 9 & 10**  
**1<sup>st</sup> Place – Newby**  
**2<sup>nd</sup> Place – Harewood**  
**3<sup>rd</sup> Place – Beningbrough**

We signed off the spring term with a closely contested and highly enthused House Football competition. With the boys opting for a full, 11-a-side structure, this was a chance for all pupils to highlight the progress they had made since the football season began. With a fair scattering of school team players, it was hard to predict who would prevail with the opening game reinforcing this; Charlie striking the winning goal for Harewood with only seconds remaining!

Newby then played out a thrilling draw with Beningbrough to leave the yellow team staring down the wooden spoon. It was the blues who came out on top as Miles H, easily the day's best player, controlled the midfield and created numerous chances for Newby to finish the contest. Despite a strong rearguard effort from the Harewood defence, eventually the dam broke and Newby claimed both the match and tournament success.

# High School & Sixth Form

**Monday 31<sup>st</sup> March**  
**Girls' House Football Years 7 & 8**  
**1<sup>st</sup> Place – Harewood**  
**2<sup>nd</sup> Place – Newby**  
**3<sup>rd</sup> Place – Beningbrough**

Harewood triumphed as house football champions in a dramatic finale to the season, narrowly defeating Newby by a single goal on goal difference after a series of hard-fought matches. Both teams finished with equal points, but Harewood's superior goal difference earned them the coveted top spot. The afternoon's tight competition underscored the importance of every goal, as Newby's attacking prowess was thwarted by missed opportunities, while Harewood's resolute defence and clinical finishing ultimately sealed their victory. In third place, Beningbrough showcased resilience with quick counter-attacks and strong team play, however fell just short of breaking into the top two. A big thank you to the CTech Sixth Formers, who not only coached the students over the past six weeks but also expertly organised this fantastic house football tournament.
