

## Leeds Children's Charity donation

Leeds Children's Charity at Lineham Farm is one of our Prep School chosen charities for the year. Today, we welcomed Megan into school for an assembly where she talked all about what the charity offers and how Gateways supporting them has helped them to provide many children with enjoyable experiences.

From the money raised from ticket sales for Christmas nativities, productions and carol concerts, the Prep School has managed to donate a fantastic £1010.50! The wellbeing champions provided the Leeds Children's Charity with the cheque this week.

A huge thank you to everyone - this money will truly make a difference to so many children in Leeds.
