

Transition visit Harlow Carr

Last week, Transition were lucky enough to visit Harlow Carr to enhance our recent learning about plants.

First, we attended a 'How Plants Grow' workshop, where we learnt all about how plants grow from seeds. We talked about the things that plants need in order to be able to grow properly. The children loved acting out how the seed grows and singing a song about the things that plants need. Then we went on to plant our own seeds. The children listened carefully to the instructions, before planting some nasturtiums. We are looking forward to finding a safe place for these to be transferred to in the playground!

Finally, after a lovely (if somewhat chilly!) picnic, it was time to play! Harlow Carr has some wonderful playgrounds and it was great to watch the children have so much fun exploring them.

We hope all the children had a good time and that they came home with some stories to tell!

Miss Beth Hayter, Miss Alice Bryant and Mrs Heather Hallam
