Kindness in Pre-Reception

This week, in the Pre-Reception classroom the children were excited as some parents joined us to witness first-hand the wonderful activities we get up to daily. The children were so happy to show their families the classroom routines and share their favourite toys.

As well as this, our 'Wow Word' for the week was "kind." During carpet time, we used storytelling and role-playing to illustrate how unkind words or actions might make someone feel sad or hurt. Through these activities, the children began to understand the importance of using kind words and gestures, and how their behaviour affects those around them.

Have a lovely half term!
