

Lower 2 – PHSE

We have been learning about Love and Loss in PSHE. The children all enjoyed playing a game of 'Swap seats if...' to help us to think about the different meanings of loss, whether it be – losing an item special to us or a special someone. We then shared our thoughts on loss and listened to the story 'Badger's Parting Gifts.' All children were very considerate of others' opinions and extremely mature about sharing their own experiences.

Well done Lower 2!

Mrs Sian Tomlinson and Mr Charlie Grasby
