

Lower 3 London residential

Last week, Lower 3 enjoyed their London residential. The children behaved impeccably throughout as they enjoyed two West End shows, shopping opportunities, fine dining and a trip to Shrek's Adventure. They also attended the Changing of the Guard at Buckingham Palace, where the King himself popped by just to give us a wave.

The children returned on Friday tired, full of sweets and laden-down with trinkets of questionable quality; a great time had by all!
