

## Prep Orchestra perform in assembly

It was such a treat to hear the Prep Orchestra play this morning to the entire school and I know everyone was so impressed by their ensemble skills. They played a specially arranged version of The Drunken Sailor and instruments included were cellos, flutes, violins, clarinet and drums. Mr Foster taught us how to conduct an orchestra and Mrs Wallis also took part, demonstrating excellent conducting skills, with the help of Theo – a hidden talent!

Well done to our prep orchestral players and thank you to Mr Sage and Mr Foster for organising such an engaging and educational assembly! We are so lucky to have our very own Prep orchestra - if anyone would like to get involved with the orchestra, please let their instrumental teacher know.

Ms Eleanor Moore
