

Upper 1 - reading dens reward

Upper 1A enjoyed a lovely treat this week for all their hard work and teamwork around school. The children made their own reading dens and chose their favourite book to read or share with a friend and a cuddly toy.

Why not encourage your children to build a reading den at home and read your favourite books?! We will be rewarding lots of reading so make sure you get your planner signed.

Well done Upper 1!

Miss Beth Adamson and Ms Kate Stewart
