

Lower 2 and Upper 2 – Peat Rigg experience

As you can see from the photos above and below, Lower 2 and Upper 2 had an amazing time at Peat Rigg on their residential! The pupils' behaviour and attitude made for a fantastic trip. Talking to the pupils on the way back and being back at school showed how many highlights there were: being away with friends, chatting in dorm rooms, facing our fears, zipping through the air on a wire, crawling through caves, pretending to be Robin Hood, watching the sheep, lambs, pheasants and swifts, hanging out with Ned, spending time with our favourite teachers, working as a team, cheering each other on, relaxing in the sun, smelling the fresh Yorkshire air, and most people's favorite, canoeing and splashing in the lake from the paddle boards.

Mr Matt Chandler, Miss Beth Adamson, Mrs Dobson-Brear, Mr Charlie Grasby, Miss Beth Hayter and Mr David Woodfine
