The Gatehouse and Littlegates

GATEWAYS
SCHOOL

A week full of fun!

It has been a very exciting week in the Gatehouse Nursery - we have had new friends joining us, our older friends have started their visits to Pre-Reception and all of our caterpillars are now hiding in their cocoons.

The children have been discussing their holidays and trips at carpet time, and talked about what was special to them. We have been looking at baby animals and creatures, then went back to revisit ourselves as babies too. The children enjoyed taking part in the sound game and recognised many animal sounds.
