## Introduction

Welcome to the Autumn Term Enrichment Programme!

At Gateways, our enrichment activities are designed to align with our core values of Growth, Wellbeing, and Success. These activities provide a wide range of opportunities for pupils to explore new interests, develop skills, and foster personal and academic growth. Within this brochure you will find an overview of the clubs on offer, their descriptions, the values they promote, and the maximum number of participants per club.

Please note that some clubs are **capped** due to space or resource limitations, but we operate a **waiting list** for those who are interested if a club reaches its maximum capacity. This ensures that every pupil has an opportunity to participate in the activities they are passionate about.

Additionally, some of the clubs offered will **change throughout the academic year** to provide fresh and exciting opportunities. New clubs will come online to reflect the evolving interests and needs of our pupils, ensuring there's always something engaging for everyone.

Some clubs have a **subscription payment** which must be paid in advance. In accordance with the school's terms and conditions for extra-curricular clubs, these clubs will require a term's notice should you wish to withdraw from the club.

## Compulsory Enrolment and Allocation of Clubs

To embed the school values of **Growth, Wellbeing, and Success**, it is **compulsory** that each pupil enrolls in **at least one club**. Should a pupil not choose an enrichment activity, one will be chosen for them to ensure they are engaging in a balanced extracurricular experience.

Pupils are welcome to sign up for **as many clubs** as they like. However, the school reserves the right to **restrict pupils** who have subscribed to many clubs, to make room for others. This is to ensure that pupils on waiting lists or those who have not selected a club have an opportunity to participate. A minimum of 80% attendance is expected.

## Club Sign-Up Process

All sign-ups for clubs will be done through **EVOLVE Clubs**, which is accessible via the **MyEvolve App** as well as by invitation sent through Evolve. The **deadline to sign up** is **Friday, 12 September 2025**. Please ensure your selections are made before the deadline to secure your place in your preferred clubs. **If you miss the sign-up date, then pupils will need to go and see the teacher/staff in charge of the club, to see if there is a space for them to join.** Please note that all clubs will start from the second week back of every term and will not run in the last week of every term (unless otherwise notified by the club leader).

## Super Curriculum Programme

The **Super Curriculum** is an exciting enrichment opportunity currently designed for Year 10 and Year 11 pupils (and will include other year groups in the future) and led by **Dr Newton** and **Mr Reeves**. This programme goes beyond the standard curriculum, offering pupils the chance to explore topics in greater depth and develop advanced academic skills.

The Super Curriculum encourages independent thinking, research, and problem-solving, helping pupils engage with challenging material and broadening their intellectual horizons.

Through thought-provoking discussions, specialised projects, and deeper exploration of academic subjects, pupils will develop critical thinking, analytical skills, and a love for learning that prepares them for future academic challenges, including higher education.

Participation in the Super Curriculum is ideal for pupils looking to push the boundaries of their knowledge, engage in high-level intellectual discussion, and cultivate a growth mindset that aligns with the school values of **Growth** and **Success**.

Further information about this exciting new programme will be published by Dr Newton and Mr Reeves separately.

## Additional Resources and Supplies

From time to time, certain clubs may require participants to purchase specific supplies or resources to use in their activities. These items can either be sourced by the pupils themselves or provided by the school at **cost price**. Pupils and parents will be informed in advance if additional materials are needed.

For clubs that involve **recipe-based activities**, such as the **Baking Club**, pupils are expected to bring the required ingredients from home, similar to the practice in **Food Technology** lessons.

Please note that **Gateways is a nut-free school**, and all recipe ingredients must comply with this policy to ensure the safety of all pupils.

## Conclusion

This brochure gives pupils the opportunity to explore a wide range of activities that contribute to their overall development in accordance with Gateways' values of **Growth**, **Wellbeing**, and **Success**. New clubs will be introduced throughout the year to keep the enrichment programme dynamic and engaging.

## Contact Information

For further details on the enrichment programme, or if you have any questions, please contact **Mr C. Davies**, the **High School Enrichment Coordinator**, who will be happy to provide additional information and support. You can reach him via the school's main office or by email [col.davies@gatewaysschool.co.uk](mailto:col.davies@gatewaysschool.co.uk).
