Growth ♦ Wellbeing ♦ Success

Vision

At Gateways we believe that everyone thrives in a friendly and enjoyable school underpinned by our core focus on:

- ❖ **Growth** – grow your knowledge, skills and confidence supporting others to do the same.
- ❖ **Wellbeing** – build your resilience and self-awareness in a kind and inclusive environment.
- ❖ **Success** – achieve your full potential in preparation for your next challenge.

Introduction

Welcome to the Autumn 2026 Prep School Enrichment Programme!

At Gateways, our enrichment activities are designed to align with our core values of Growth, Wellbeing, and Success. These activities provide a wide range of opportunities for pupils to explore new interests, develop skills, and foster personal and academic growth.

Please note that some clubs are capped due to space or resource limitations, but we operate a waiting list for those who are interested if a club reaches its maximum capacity. This ensures that every pupil has an opportunity to participate in the activities about which they are passionate.

Additionally, some of the clubs offered will change throughout the academic year to provide fresh and exciting opportunities. Some clubs will rotate between age groups and new clubs will emerge to reflect the evolving interests and needs of our pupils, ensuring there's always something engaging for everyone.

Some clubs (indicated in **red** on the below pages) require payment. For Dance, Drama, Rugby and Spanish, the fee will be added to your bill. In accordance with the school's terms and conditions for extra-curricular clubs, these clubs will roll over term to term and require **a full term's notice** should you wish to withdraw from the club. For example, if notice is given during the Autumn term, the Spring term will also need to be paid for.

Tennis and Karate are paid for directly to the provider.
